NRI Bibliography No. 16

Published by the National Research Institute

The National Research Institute (NRI) is an independent statutory authority established by an Act of Parliament in 1988 and confirmed by the *IASER (Amendment) Act* 1993. NRI's main aims are to undertake research into the social, political, economic, educational, legal, environmental, and cultural issues and problems of Papua New Guinea and to formulate practical solutions to these problems. Research results are published in the following NRI publication series.

Monographs	Spotlight with NRI
Discussion Papers	Post-Courier Index
Special Publications	Bibliographies
Occasional Papers	Additional Publications
